Please have your unit commander, TCO, or Alternate TCO make arrangements to pick them up as soon as possible. If weekday pickup is required, please contact the Wing TCO, 1st Lt. Nancy Z. Gleaton, at nancygleaton@bellsouth.net to make arrangements.

Unless the Wing TCO is notified of extenuating circumstances, all test which remain on-hand at Wing HQ after 180 days will be destroyed.

One final suggestion: Examinees should order their tests *as soon as they get their course materials*, and have the appropriate person pick up the test as soon as possible after it is received. This is one way to make sure the test is on-hand at the appropriate unit *before* it's needed.
